The NLC Prescription Discount Card Program, administered by CVS Caremark, helps residents in NLC-member cities cope with the high cost of prescription medications at NO COST to the city or the resident. People in your city who need prescriptions that are not covered by insurance or a traditional pharmacy benefit plan will receive prescription discounts.

**Benefits for Residents**
- No cost to participate and no enrollment required.
- On average, residents save 23% off the full retail cost of prescription medication.
- More than 65,000 major pharmacies nationwide and most local independent pharmacies accept the discount cards.
- Some pet medications covered.

**NLC Service Line Warranty Program**

www.nlcc.org/servicelinewarranty

The NLC Service Line Warranty Program, administered by Utility Service Partners, Inc. (USP), gives your residents who have not set aside money for an unexpected, expensive utility line repair the opportunity to obtain a low cost warranty that will cover repairs for a very low monthly fee. There is no cost to the city to participate and the city may opt to receive revenue from the program.

**Benefits for Residents**
- Licensed, local plumbers will call the customer within one hour of filing a claim. The repair is performed professionally and quickly, typically within 24 hours.
- USP provides a personally staffed 24/7 repair hotline for residents, 365 days a year.

**NLC Community Showcase Video Program**

**Benefits for Cities**
- Showcase your city to visitors through creative, professional videos.
- Engage and communicate with residents.
- Help attract and retain businesses.
- VideoTour hosted by CGI and linked to city website.
In partnership with the International City/County Management Association, The National Citizen Survey™ (NCS) is a low-cost citizen survey that helps local governments determine what a statistically valid sample of residents thinks about the quality and breadth of local government services.

Benefits for Local Officials
- Gathers public input on city conditions, opinions about infrastructure plans, and overall community perception.
- Helps align the city’s priorities with residents’ expectations.
- Enables comparisons of the city’s results to benchmarks of over 500 jurisdictions throughout the country.

Build America Mutual
Build America Mutual is NLC’s preferred provider of financial guaranty insurance on municipal debt. Build America Mutual is the only mutual bond insurance company created for the benefit of cities and towns.

Benefits for Cities
- Lowers the cost to cities of financing of public debt.
- Provides reliable protection against loss for municipal bondholders.
- Offers the unique benefits of membership in a mutual insurance company, including voting rights and the receipt of future dividends.

The Public Finance Authority is a tax-exempt bond issuing authority available in all 50 states that was created by local governments, for local governments, with the goal of increasing and streamlining economic development projects.

Benefits for Cities
- Offers lower-cost private activity bond financing for projects that provide public benefit.
- Contributes to social and economic growth.
- Assists cities, towns and other local governments by serving as the issuer, ensuring that the necessary approvals are obtained and locating state volume cap allocations.

The NLC iSave Health Discount Program exclusively for NLC member cities will help residents save on the cost of services not covered in some health insurance plans. Discounts are available on dental services, vision and hearing care, fitness centers and more. The program is scheduled to be available in late 2014.

“The programs are practical and affordable. They offer quality products and services from knowledgeable national companies and suppliers with years of experience.”
