## National League of Cities Annual Leadership Summit

**M**ichael H.T. Lynch, a long-serving councilmember from Kirkwood, Missouri, epitomized an example of strong leadership and community involvement. Until his untimely death in February 2008, Councilmember Lynch was an active community leader and was active in the Leadership Training Institute as a learner, a mentor and a member of NLC's Leadership Training Council (LTC) and the LTC Scholarship Committee

Councilmember Lynch was an advocate for education and training as well as a dedicated public servant. Prior to his election to the Kirkwood City Council in 2000, he served on the city's Planning and Zoning Commission and was closely involved with the Kirkwood Special Business District.

In recognition of Councilmember Michael Lynch's contributions to the National League of Cities (NLC), the Leadership Training Institute, and the Scholarship Committee of the Leadership Training Council, NLC has created the Michael H. T. Lynch Scholarship for an NLC Member to attend the Annual Leadership Summit.

The Annual Leadership Summit is a personal leadership retreat designed to enhance success and understanding of leadership roles and responsibilities as a municipal official.

The National League of Cities is committed to strengthening and promoting the leadership capacity of our nations' local city officials. As part of the NLC Mission to create stronger communities, the Leadership Training Institute (LTI) was established to promote excellence in municipal leadership through high quality education and training programs for local city leaders.
