U.S. COMMUNITIES GOVERNMENT PURCHASING ALLIANCE

PROVIDING THE BEST GOVERNMENT PRICING FOR YOUR CITY

GOVERNMENT PURCHASING SOLUTION

U.S. Communities Government Purchasing Alliance™, sponsored by the National League of Cities and four other national organizations, is a nationwide purchasing and procurement cooperative that provides cities, counties, school districts (K-12), higher education, states and special districts and nonprofit organizations the opportunity to purchase thousands of products and services from nationally recognized suppliers at the best government pricing.

PRODUCT AND SERVICE SAVINGS

As a nonprofit government purchasing resource, U.S. Communities is able to reduce the cost of goods and services for participating agencies by aggregating their purchasing power nationwide. Lead public agencies competitively solicit contracts which U.S. Communities makes available to agencies and nonprofits nationwide. Thousands of brand name products in a wide variety of categories are available at the best government pricing. U.S. Communities has also launched a new online marketplace that provides quick visibility into products and pricing, and integrates many U.S. Communities supplier contracts into a single shopping environment. Purchases can be made using a p-card or credit card.

GO GREEN PROGRAM

The U.S. Communities Go Green Program is the one-stop source for public agency access to buy and live green. A broad line of green products, services and resources are offered. In addition to our green contracts that offer eco-friendly products, local government will find a wealth of green information and resources that will help lower your community's carbon footprint and assist you in making educated decisions about the products your agency purchases. For more information, go to www.gogreencommunities.org
