

National Tracking Poll #200371
March 17-20, 2020

Crosstabulation Results

Methodology:

This poll was conducted between March 17-March 20, 2020 among a national sample of 2200 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on age, educational attainment, gender, race, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

Table Index

1	Table NLC1: <i>How much have you seen, read, or heard recently about the coronavirus (COVID-19)?</i>	8
2	Table NLC2_1: <i>In your opinion, how prepared or unprepared are each of the following levels of government to deal with the coronavirus (COVID-19)? Your local government</i>	11
3	Table NLC2_2: <i>In your opinion, how prepared or unprepared are each of the following levels of government to deal with the coronavirus (COVID-19)? Your state government</i>	15
4	Table NLC2_3: <i>In your opinion, how prepared or unprepared are each of the following levels of government to deal with the coronavirus (COVID-19)? The federal government</i>	19
5	Table NLC3: <i>Thinking more specifically, how prepared or unprepared is your local health care system to deal with the coronavirus (COVID-19)?</i>	23
6	Table NLC4_1: <i>How would you rate the response of each of the following levels of government to the coronavirus (COVID-19)? Your local government</i>	26
7	Table NLC4_2: <i>How would you rate the response of each of the following levels of government to the coronavirus (COVID-19)? Your state government</i>	30
8	Table NLC4_3: <i>How would you rate the response of each of the following levels of government to the coronavirus (COVID-19)? The federal government</i>	34
9	Table NLC5_1: <i>And, how would you rate the communication you’ve received from each of the following levels of government about the coronavirus (COVID-19)? Your local government</i>	38
10	Table NLC5_2: <i>And, how would you rate the communication you’ve received from each of the following levels of government about the coronavirus (COVID-19)? Your state government</i>	42
11	Table NLC5_3: <i>And, how would you rate the communication you’ve received from each of the following levels of government about the coronavirus (COVID-19)? The federal government</i>	46
12	Table NLC6_1: <i>How would you rate your local government’s coordination with each of the following on the coronavirus (COVID-19)? The federal government</i>	50
13	Table NLC6_2: <i>How would you rate your local government’s coordination with each of the following on the coronavirus (COVID-19)? Your state government</i>	54
14	Table NLC6_3: <i>How would you rate your local government’s coordination with each of the following on the coronavirus (COVID-19)? Your county government</i>	58
15	Table NLC6_4: <i>How would you rate your local government’s coordination with each of the following on the coronavirus (COVID-19)? The local business community</i>	62
16	Table NLC6_5: <i>How would you rate your local government’s coordination with each of the following on the coronavirus (COVID-19)? The local health care system</i>	66
17	Table NLC6_6: <i>How would you rate your local government’s coordination with each of the following on the coronavirus (COVID-19)? Local nonprofits</i>	70

18	Table NLC6_7: <i>How would you rate your local government’s coordination with each of the following on the coronavirus (COVID-19)? The Center for Disease Control (CDC)</i>	74
19	Table NLC7_1: <i>Do you think each of the following levels of government are doing enough or not doing enough to help control the spread of the coronavirus (COVID-19)? Your local government</i>	78
20	Table NLC7_2: <i>Do you think each of the following levels of government are doing enough or not doing enough to help control the spread of the coronavirus (COVID-19)? Your state government</i>	82
21	Table NLC7_3: <i>Do you think each of the following levels of government are doing enough or not doing enough to help control the spread of the coronavirus (COVID-19)? The federal government</i>	86
22	Table NLC8_1: <i>There are a variety of ways local governments are responding to help control the spread of coronavirus (COVID-19). Do you support or oppose your local government taking the following actions to help control the spread of the coronavirus (COVID-19) in your city or town? Closing public facilities such as recreation centers and libraries</i>	90
23	Table NLC8_2: <i>There are a variety of ways local governments are responding to help control the spread of coronavirus (COVID-19). Do you support or oppose your local government taking the following actions to help control the spread of the coronavirus (COVID-19) in your city or town? Banning or cancelling large gatherings</i>	94
24	Table NLC8_3: <i>There are a variety of ways local governments are responding to help control the spread of coronavirus (COVID-19). Do you support or oppose your local government taking the following actions to help control the spread of the coronavirus (COVID-19) in your city or town? Limiting the amount of people who can attend of social gatherings</i>	98
25	Table NLC8_4: <i>There are a variety of ways local governments are responding to help control the spread of coronavirus (COVID-19). Do you support or oppose your local government taking the following actions to help control the spread of the coronavirus (COVID-19) in your city or town? Closing restaurants and bars</i>	102
26	Table NLC8_5: <i>There are a variety of ways local governments are responding to help control the spread of coronavirus (COVID-19). Do you support or oppose your local government taking the following actions to help control the spread of the coronavirus (COVID-19) in your city or town? Declaring a public health emergency</i>	106
27	Table NLC8_6: <i>There are a variety of ways local governments are responding to help control the spread of coronavirus (COVID-19). Do you support or oppose your local government taking the following actions to help control the spread of the coronavirus (COVID-19) in your city or town? Encouraging employers to require employees to work remotely</i>	110
28	Table NLC8_7: <i>There are a variety of ways local governments are responding to help control the spread of coronavirus (COVID-19). Do you support or oppose your local government taking the following actions to help control the spread of the coronavirus (COVID-19) in your city or town? Incentivizing employers to provide emergency paid sick leave</i>	114

29 **Table NLC8_8:** *There are a variety of ways local governments are responding to help control the spread of coronavirus (COVID-19). Do you support or oppose your local government taking the following actions to help control the spread of the coronavirus (COVID-19) in your city or town? Mandating employers to provide emergency paid sick leave* 118

30 **Table NLC9_1:** *Do you think each of the following levels of government are doing enough or not doing enough to support at-risk residents from the financial effects of the coronavirus (COVID-19)? Your local government* 122

31 **Table NLC9_2:** *Do you think each of the following levels of government are doing enough or not doing enough to support at-risk residents from the financial effects of the coronavirus (COVID-19)? Your state government* 126

32 **Table NLC9_3:** *Do you think each of the following levels of government are doing enough or not doing enough to support at-risk residents from the financial effects of the coronavirus (COVID-19)? The federal government* 130

33 **Table NLC10_1:** *There are a variety of ways local governments are responding to help at-risk residents from the financial effects of coronavirus (COVID-19). Do you support or oppose your local government taking the following actions to support at-risk residents from the financial effects of the coronavirus (COVID-19)? Enacting temporary eviction bans* 134

34 **Table NLC10_2:** *There are a variety of ways local governments are responding to help at-risk residents from the financial effects of coronavirus (COVID-19). Do you support or oppose your local government taking the following actions to support at-risk residents from the financial effects of the coronavirus (COVID-19)? Enacting mortgage payment suspensions* 138

35 **Table NLC10_3:** *There are a variety of ways local governments are responding to help at-risk residents from the financial effects of coronavirus (COVID-19). Do you support or oppose your local government taking the following actions to support at-risk residents from the financial effects of the coronavirus (COVID-19)? Providing financial support to landlords and property managers* 142

36 **Table NLC10_4:** *There are a variety of ways local governments are responding to help at-risk residents from the financial effects of coronavirus (COVID-19). Do you support or oppose your local government taking the following actions to support at-risk residents from the financial effects of the coronavirus (COVID-19)? Funding or coordinating food or medicine delivery to vulnerable populations, including school meal replacement* 146

37 **Table NLC10_5:** *There are a variety of ways local governments are responding to help at-risk residents from the financial effects of coronavirus (COVID-19). Do you support or oppose your local government taking the following actions to support at-risk residents from the financial effects of the coronavirus (COVID-19)? Stopping utility shut offs temporarily* 150

38 **Table NLC10_6:** *There are a variety of ways local governments are responding to help at-risk residents from the financial effects of coronavirus (COVID-19). Do you support or oppose your local government taking the following actions to support at-risk residents from the financial effects of the coronavirus (COVID-19)? Providing internet access to households or neighborhoods without access* 154

39 **Table NLC10_7:** *There are a variety of ways local governments are responding to help at-risk residents from the financial effects of coronavirus (COVID-19). Do you support or oppose your local government taking the following actions to support at-risk residents from the financial effects of the coronavirus (COVID-19)? Providing funds or lines of credit for small businesses and local employers* 158

40 **Table NLC10_8:** *There are a variety of ways local governments are responding to help at-risk residents from the financial effects of coronavirus (COVID-19). Do you support or oppose your local government taking the following actions to support at-risk residents from the financial effects of the coronavirus (COVID-19)? Providing emergency leave or income assistance funds for low-wage service workers and gig workers* 162

41 **Table NLC11_1:** *Do you think each of the following levels of government are doing enough or not doing enough to support residents who are at the highest risk of community spread or health complications* from the coronavirus (COVID-19)?*Thinking about residents who are at the highest risk of community spread or health complications, we're referring specifically to seniors, people with disabilities, people who are currently homeless, uninsured individuals and families, and people in jail. Your local government* 166

42 **Table NLC11_2:** *Do you think each of the following levels of government are doing enough or not doing enough to support residents who are at the highest risk of community spread or health complications* from the coronavirus (COVID-19)?*Thinking about residents who are at the highest risk of community spread or health complications, we're referring specifically to seniors, people with disabilities, people who are currently homeless, uninsured individuals and families, and people in jail. Your state government* 170

43 **Table NLC11_3:** *Do you think each of the following levels of government are doing enough or not doing enough to support residents who are at the highest risk of community spread or health complications* from the coronavirus (COVID-19)?*Thinking about residents who are at the highest risk of community spread or health complications, we're referring specifically to seniors, people with disabilities, people who are currently homeless, uninsured individuals and families, and people in jail. The federal government* 174

44 **Table NLC12_1:** *There are a variety of ways local governments are responding to help the highest risk populations during the coronavirus (COVID-19) outbreak. Do you support or oppose your local government taking the following actions to support residents who are at the highest risk of community spread or health complications* from the coronavirus (COVID-19)?*Thinking about residents who are at the highest risk of community spread or health complications, we're referring specifically to seniors, people with disabilities, people who are currently homeless, uninsured individuals and families, and people in jail. Sending teams to evaluate infection control precautions in homeless shelters, skilled nursing facilities and jails* 178

45 **Table NLC12_2:** *There are a variety of ways local governments are responding to help the highest risk populations during the coronavirus (COVID-19) outbreak. Do you support or oppose your local government taking the following actions to support residents who are at the highest risk of community spread or health complications* from the coronavirus (COVID-19)?*Thinking about residents who are at the highest risk of community spread or health complications, we’re referring specifically to seniors, people with disabilities, people who are currently homeless, uninsured individuals and families, and people in jail. Sending teams to check on homebound seniors and people with disabilities* 182

46 **Table NLC12_3:** *There are a variety of ways local governments are responding to help the highest risk populations during the coronavirus (COVID-19) outbreak. Do you support or oppose your local government taking the following actions to support residents who are at the highest risk of community spread or health complications* from the coronavirus (COVID-19)?*Thinking about residents who are at the highest risk of community spread or health complications, we’re referring specifically to seniors, people with disabilities, people who are currently homeless, uninsured individuals and families, and people in jail. Installing portable hand washing stations, toilets, and other facilities for people who are currently homeless . . .* 186

47 **Table NLC12_4:** *There are a variety of ways local governments are responding to help the highest risk populations during the coronavirus (COVID-19) outbreak. Do you support or oppose your local government taking the following actions to support residents who are at the highest risk of community spread or health complications* from the coronavirus (COVID-19)?*Thinking about residents who are at the highest risk of community spread or health complications, we’re referring specifically to seniors, people with disabilities, people who are currently homeless, uninsured individuals and families, and people in jail. Providing alternative housing options to reduce shelter populations* 190

48 **Table NLC12_5:** *There are a variety of ways local governments are responding to help the highest risk populations during the coronavirus (COVID-19) outbreak. Do you support or oppose your local government taking the following actions to support residents who are at the highest risk of community spread or health complications* from the coronavirus (COVID-19)?*Thinking about residents who are at the highest risk of community spread or health complications, we’re referring specifically to seniors, people with disabilities, people who are currently homeless, uninsured individuals and families, and people in jail. Developing strategies to minimize the number of people entering municipal jails* 194

49 **Table NLC12_6:** *There are a variety of ways local governments are responding to help the highest risk populations during the coronavirus (COVID-19) outbreak. Do you support or oppose your local government taking the following actions to support residents who are at the highest risk of community spread or health complications* from the coronavirus (COVID-19)?*Thinking about residents who are at the highest risk of community spread or health complications, we’re referring specifically to seniors, people with disabilities, people who are currently homeless, uninsured individuals and families, and people in jail. Developing strategies to release medically vulnerable and older individuals from jails* 198

50 **Table NLC13:** *To the best of your knowledge, has your local government put additional funds toward helping control the coronavirus (COVID-19) and supporting those in your community most affected by the coronavirus (COVID-19)?* 202

51	Table NLC14_1: <i>And, do you support or oppose your local government putting additional funds toward each of the following? Helping control the spread of coronavirus (COVID-19)</i>	205
52	Table NLC14_2: <i>And, do you support or oppose your local government putting additional funds toward each of the following? Supporting those in your community most affected by the coronavirus (COVID-19)</i>	209
