

“Top Workplace” In Oregon Six Years in A Row

CIS is recruiting for a Law Enforcement Risk Management Consultant (Tigard Office)

Are you interested in making a difference?

CIS (Citycounty Insurance Services) is a member-driven, service-oriented organization that helps Oregon's cities and counties effectively manage risk so that they can provide crucial services to Oregonians. We offer a wide range of coverage and services that are tailored to best serve our members. One way we do this is by having an in-house law enforcement consulting team that works hard to achieve the best results for our member employers.

This position reports to the Deputy Property/Casualty Director who works in our Tigard, Oregon Office. If circumstances necessitate it, we may consider another office location for this position.

Why is CIS a great place to work?

- We've been named a “Top Workplace” in Oregon (based on employee surveys) for six straight years.
- You make a difference for local communities and the people who serve our citizens.
- Our members respect and appreciate what we do for them.
- We celebrate innovation.
- Your coworkers are talented, friendly, enthusiastic, and professional.
- Our wages and benefits are competitive, including free parking.
- We offer PERS (Oregon Public Employees Retirement System) retirement.
- We encourage growth through training as well as generous personal and professional development opportunities.

For more information about CIS, please visit <http://www.cisoregon.org>

Can you picture yourself in the position?

You currently have expertise in law enforcement in a public-sector setting; or, you work in a similar position for a membership association, insurance risk pool, or other insurance organization.

MINIMUM QUALIFICATIONS

Knowledge and experience with:

- Reviewing law enforcement claims and losses, with specific emphasis on patrol services, to target risk management needs and emerging issues and to evaluate the effectiveness of programs; make recommendations to management on programs and services to respond to needs and issues.
- Regularly contacting customer/member law enforcement agencies to audit and review police department and sheriff's office policies, practices and procedures. Reviewing results and recommending improvements using a best practice model.
- Conducting onsite inspections of police department and sheriff's offices.
- Assessing customer/member law enforcement training needs associated with claims and losses. Recommending external training resources to respond to identified needs. Conducting training for customers/members.
- Participating in development of the law enforcement conference.

- Developing and maintaining risk management partnerships with customer/member police/sheriff department officials, OSSA, OACP, DPSST, Lexipol, Oregon Accreditation Alliance, and similar organizations serving the Oregon law enforcement community.
- Coordinating the provision of risk management and/or legal consultation to customer/member agencies by internal and external resources.
- Interacting with all staff levels and proactively maintaining team relationships.
- Writing articles for publications on law enforcement risk management issues.
- Representing organization on committees and at meetings associated with law enforcement risk management as assigned.

EDUCATION, CERTIFICATION, CERTIFICATES, KNOWLEDGE & EXPERIENCE:

Education and experience requirements listed are minimum standards. Other equivalent combinations of education, certifications, training, and experience may be considered.

Education: Associates degree in Law Enforcement, Public Safety, or a similar field

Knowledge: Current knowledge of law enforcement and corrections policies, laws and practices. Advanced training (i.e. FBI National Academy or similar institution) in public safety and law enforcement.

Skills

- Make oral presentations to groups.
- The use of computers, such as laptops, tablets, and smartphones and associated software.
- Program and project management techniques.
- Strategic and organizational planning techniques.
- Public relations principles as they relate to the public sector.

Abilities

- Formulate concepts and develop strategies and solutions to address needs of a particular segment of CIS members.
- Effectively communicate, both orally and in writing, with all levels of contacts.
- Write clearly and concisely using rules of English grammar and composition.
- Develop feasible short and long-range plans/goals to project and develop programs and projects.
- Establish and maintain effective working relationships with those contacted in the course of assignments.
- Organize, prioritize and perform multiple tasks concurrently.
- Exercise sound judgment in safeguarding confidential or sensitive information.
- Independently make decisions and take appropriate action.
- Describe complex ideas in understandable, usable ways.
- Conduct research, gather information and analyze a variety of data.
- Motivate others in order to create trust, team spirit and professionalism.
- Provide training programs on law enforcement subjects.

Knowledge of Oregon patrol policies and procedures, and an understanding of best practices in Oregon and nationally to reduce claims. Understanding of high risk/liability issues inherent in law enforcement.

Licenses: Valid driver's license; employee must maintain a safe driving record while employed with CIS.

Experience: Seven or more years' experience, including the following:

- Law enforcement operational management and supervision or law enforcement command staff or other high-level law enforcement management level experience

- The administration of basic and advanced law enforcement training programs.
- Law enforcement methods and procedures related to cities, counties, corrections, patrol, traffic control, investigation, identification, communication, administration and support functions.
- Participation in professional workgroups convened by OSSA, OACP, DPSST or others on corrections issues

SPECIAL QUALIFICATIONS

- Bachelor's degree
- Current or prior DPSST Supervisory, Management or Executive certification or similar out of state certification.

The person in this position may typically spend 40% or more of their time traveling by vehicle to member locations around the state, as well as traveling to instate and out-of-state conferences and training; often requiring a longer workday and overnight travel.
