

**December 7, 2017**

**Dear Members of Congress:**

**We are America's cities** — engines of the nation's economy, centers of innovation and home to the hundreds of millions of Americans who are your constituents. We need you to stand with cities and support efforts to respect local authority and ensure economic success.

As the nation's city leaders, we urgently ask you to invest in cities as the tax reform and Fiscal Year 2018 appropriations negotiations continue. Proposals that ask cities to do far more with far less will stall the progress we have made. Our success is vital to the nation's success.

**Cities call on Congress to protect:**

- Funding for federal programs that support bedrock civic responsibilities:
  - Keeping housing affordable
  - Providing access to transportation
  - Supporting local jobs, training and entrepreneurship
  - Keeping our water and air clean
  - Ensuring the safety and security of our communities
- Elements of the existing tax code that allow cities to build and grow:
  - Exemptions for municipal and private activity bonds
  - The state and local tax deductions
  - Tax credits that strengthen communities

**2018 OFFICERS**

**President**  
Mark Stodola  
Mayor  
Little Rock, Arkansas

**First Vice President**  
Karen Freeman-Wilson  
Mayor  
Gary, Indiana

**Second Vice President**  
Joe Buscaino  
Councilmember  
Los Angeles, California

**Immediate Past President**  
Matt Zone  
Councilmember  
Cleveland, Ohio

**Chief Executive Officer/  
Executive Director**  
Clarence E. Anthony

**Deputy Executive Director**  
Antoinette A. Samuel

There is a long history of federal-local partnerships when it comes to moving America forward. Provisions in tax reform and appropriations proposals we've seen so far not only alarm us, as the nation's local leaders, but jeopardize this historic relationship.

Cities need Congress to create a tax reform plan and appropriations package that supports local economic growth. We ask you to stand with cities to support our nation's economy.

**Sincerely,  
America's Cities**

**Mayor Mark Stodola**
