Essential Services: United States

Enterprise Holdings provides essential services across the United States – as recognized by the Department of Homeland Security in their guidance on Essential Critical Infrastructure Workforce – and operates as a supplier to governmental, healthcare, energy and other vital industries. We are taking steps to preserve the health and safety of employees, customers and suppliers, while maintaining consistent service levels throughout our network of locations that are still open in critical markets.

TRANSPORTATION SERVICES

Enterprise Holdings vehicles are used daily to support supply chains, emergency response, vehicle replacement, personal mobility and more:

- State and local government
- FEMA
- Healthcare
- First responders
- Local law enforcement
- National Guard and other military
- Transportation and logistics
- Utility companies
- Manufacturing supplies
- Pharmaceutical supplies
- Grocery shipments
- Grocery/food bank deliveries
- Household necessities
- Personal mobility (rental and leasing)
- Vehicle replacement for consumers and businesses after accidents or during repair or recall
- Total transportation solution offerings through daily rental, Commute, Fleet Management and Truck Rental

LOCAL BUSINESS, GLOBAL SUPPORT

Enterprise Holdings has the unique ability – as well as the strategic responsibility – to support the needs of the United States via its network of more than 6,400 branch locations.

IMMEDIATE RESPONSE

- Vehicle curbside and delivery service
