

# 2021 Board of Directors Candidate Information

**Application Deadline: Tuesday, September 22, 2020**

## Thank you for your interest in serving on the National League of Cities (NLC) Board of Directors!

Serving on the NLC Board is one of the most rewarding ways for you as a municipal leader to bring your expertise to the service of cities, towns, and villages at the national level. This guide tells you what the job entails and how to apply. **Applications are due no later than Tuesday, September 22, 2020.**

If you have questions or need assistance, please feel free to contact Carla Smith at 202-626-3179 or [smith@nlc.org](mailto:smith@nlc.org).

### Who can serve on the NLC Board of Directors?

To be eligible to serve on the NLC Board you must be an elected official of a member city, or a chief executive officer of a state municipal league. If you are an elected official, you must remain in office throughout your term on the board. You may apply to serve on the board even if you will have to run for reelection during your board term.

### What are the positions on the NLC Board?

The board of directors consists of the NLC president, first vice president, second vice president, the chief executive officers from eight state municipal leagues, forty at-large members, all past presidents still in elective office in a member city, and the chairs of the seven NLC advocacy committees. Among the vice president and president positions, only the position of second vice president is normally contested; other NLC officers usually rotate upward from second vice president to first vice president, and then to president.

### How long are the terms of office?

All Board members serve a two-year term and may run for reelection for a second two-year term. The maximum lifetime service is four years. The terms do not have to be consecutive.

The two-year term of office for all newly elected 2021 Officers and Board members begins immediately upon adjournment of the Annual Business Meeting on Saturday, November 21, during the NLC's Virtual City Summit.

The NLC president, first vice president and second vice president each holds office for a one-year term.

## **If I want to apply, what is the process?**

The process is summarized below.

1. Speak with your state municipal league director. All candidates must indicate on their application whether they have obtained—or expect to obtain—their league’s endorsement. (The state municipal league endorsement is strongly encouraged, but a written endorsement is not required.)
2. You may choose to request letters of endorsement from people in your community, region, or state. These endorsements are completely optional.
3. Submit your application by September 22, 2020. Applications are submitted using the [MyNLC](#) account. Please login and select the Leadership Application tab.
4. If you have obtained letters of endorsement, you may upload them as one file with your application.
5. Make a presentation to the Nominating Committee.
6. If you are applying to serve as second vice president, participate in a closed-door interview process with the Nominating Committee on Friday morning, November 20.
7. Check the NLC conference app Friday, November 20, to see the slate of officer and board candidates recommended by the Nominating Committee.
8. Attend the Annual Business Meeting on Saturday, November 21, during which the officer and board elections will take place.
9. If you are elected, attend a short but important board convening immediately after the Annual Business Meeting on Saturday, November 21.

## **Will I need campaign materials?**

While elaborate campaigns are discouraged, you may distribute materials such as flyers, brochures, or buttons. However, we ask that you not distribute these materials to members of the Nominating Committee.

## **How are members of the NLC Board of Directors selected?**

Each year, the NLC president appoints a Nominating Committee, which is comprised of not less than six and not more than fourteen members, plus the NLC Immediate Past President who serves as the committee chair. The nominating committee will hold a closed meeting during the City Summit to develop the recommended slate of officer and board candidates to be voted on during the Annual Business Meeting

## **Nominating Committee Gifts**

Gifts, including token gifts, for the members of the Nominating Committee are not allowed.

## **Nominating Committee Meeting: Friday, November 20**

The Nominating Committee will hold a closed meeting on Friday, November 20, to recommend a slate of candidates for action at the Annual Business Meeting on Saturday, November 21.

Candidates running for second vice president will be invited to interview with the Nominating Committee on Friday morning during the closed meeting. The time of the interview will be given to applicants on Thursday, November 19.

All qualified board candidates will be considered by the Nominating Committee. The Nominating Committee may consider other candidates when there is an insufficient number of qualified candidates. Board candidates will not be interviewed.

The recommended slate of officer and board candidates will be posted on the conference app Friday afternoon, November 20.

All nominated 2021 Officer and Board candidates are expected to attend the Annual Business Meeting on Saturday, November 21, during which the Officer and Board elections will take place. Immediately following the Annual Business Meeting, all elected 2021 Officers and Board Members are expected to attend a short, informal, but important, board convening.

## **2021 Board Meetings and Travel Expenses**

A preliminary list of 2021 meeting dates and locations is provided below; however, some are subject to change. NLC will communicate the 2021 meeting dates, times, and locations when finalized. Officers and board members are expected to attend the meetings as outlined below.

### **NLC 2021 Board Meetings**

**January 7-9, 2021 Executive Committee Retreat:** This planning meeting for the Executive Committee only is to define the leadership direction for the year, set the overall framework for federal advocacy and determine other annual strategic plan priorities. The meeting generally runs for approximately one and a half days beginning Thursday evening and concluding Saturday afternoon. (Dates are subject to change. Location to be determined.)

**March 7-10, 2021 Board Meeting:** Held at the beginning of the Congressional City Conference in Washington, DC, this meeting is held to continue refining the advocacy strategy for the year based on the established priorities and to continue defining leadership roles in carrying out that strategy. (Dates and location are final.)

**June 2021 dates TBD Summer Board and Leadership Meeting:** This meeting is generally held during June and runs one to one-and-a-half days. At the summer meeting, the Board reviews progress on the advocacy priorities, helps shape work on other NLC issues and priorities, and as needed, considers federal policy issues referred by the seven Advocacy committees that require immediate action. This free-standing summer Board meeting also allows a mid-term review of progress under the NLC Strategic Plan and provides the best opportunity for exploring selected issues in depth. (Dates are subject to change. Location to be determined.)

**November 17-20, 2021 Board Meeting:** This meeting, held at the beginning of the annual City Summit, concludes the NLC governance year. *(The 2021 City Summit will be held in Salt Lake City, Utah.)* At the November meeting, the Board reviews the major accomplishments under the NLC Strategic Plan for the year and discusses any national policy issues requiring Board action before the Annual Business Meeting. (Dates and location of the conference are final. Exact board meeting days and times are to be determined.)

### **Travel Expenses**

Board members are expected to cover their travel and hotel costs for the Board meetings. NLC pays the cost of group meals during the Board meetings. For the two meetings held in conjunction with annual conferences, Board members are expected to pay their own conference registration.

## Roles and Responsibilities of the NLC Board of Directors

The NLC Board of Directors focuses on three broad roles: 1) fiduciary oversight; 2) strategic planning and thinking; and 3) implementation of policies and activities to support and advance the NLC mission and aspirations.

The items listed below provide a snapshot of ongoing roles and responsibilities of the NLC Board of Directors collectively and of individual Board members during a typical governance year. Specific roles and activities at Board meetings will vary depending upon the leadership priorities and the specific issues that emerge during the year.

- Provides overall direction for the organization based on the leadership priorities;
- Enhances NLC's stature and visibility through contacts, connections and outreach to local, regional and, where appropriate, national media;
- Shapes, refines and updates the annual advocacy and lobbying strategy;
- Advocates for NLC federal priorities and provides leadership and direction in his/her city and state on those priorities;
- Adopts amendments to National Municipal Policy and policy resolutions, on occasion, when the membership is not assembled;
- Participates in the national policy development process by serving on the Resolutions Committee and adopting the agenda for the Annual Business Meeting;
- Supports, guides and actively participates in major leadership campaigns and events;
- Ensures membership stability and growth by encouraging cities in his/her state to join NLC and to stay involved in NLC;
- Approves the annual operating budget and monitors financial progress;
- Ensures connections between the Board and NLC standing committees and task forces by serving as Board liaison to councils;
- Ensures connections with the members through participation in state municipal league and NLC programs and activities – serving as organizational emissaries;
- Approve City Summit sites;
- Provides guidance and direction on organizational governance matters;
- Carries out “corporate business” as the National League of Cities Institute (NLCI) Board; and
- Represents NLC.

# Roles and Responsibilities for Officers of the National League of Cities
